

CADASIL TOGETHER WE HAVE HOPE - FEBRUARY NEWS

RARE DISEASE DAY

ALONE WE ARE RARE. TOGETHER WE ARE STRONG.

On the ultimate rare day---February 29th---millions of people around the world will be observing Rare Disease Day.

Raise awareness for CADASIL and Rare Disease Day.

Click on the links to print fliers for CADASIL:

<http://cadasilfoundation.net/CADASIL%20NORD%20FLIER.pdf>

<http://cadasilfoundation.net/NORD%20CADASIL%20FLIER.pdf>

Display the fliers in the library, schools, hospitals, doctors offices, health departments, mental health agencies, churches, community bulletin boards, senior centers, clubs you or your friends belong to or anywhere else you could think of.

Thank you to B. Hunt for designing and obtaining approval from NORD to display these fliers.

CTWHH Focus Awareness Group starting ...

The CTWHH Awareness/Education Focus Group will be comprised of typically eight to ten individuals which engage in discussions on how to raise awareness/education for CADASIL. A volunteer moderator guides the discussions in order to obtain the group's opinions and/or reactions regarding specific projects. This focus group does not engage in fundraising planning and/or activities as the sole purpose of the focus group is to raise awareness/education for CADASIL. The volunteer members of the CTWHH Awareness/Education Focus Group will generate and prioritize a list of projects to be completed and submit them for approval to the CTWHH Board of Directors before presenting the ideas/projects to the CADASIL Community.

Pictures Needed

We are developing a video for our front page with faces of CADASIL. If you would like to submit a picture with age of diagnosis it would be most appreciated. We will only use your age of diagnosis on the video and not publish your name. Submit your picture by February 17, 2012. This video will be also be submitted to NORD for Rare Disease Day with many others of rare diseases videos.

Please forward this
e-mail to family members and friends.

Please go to www.cadasilfoundation.org
and sign up for our electronic newsletters updates.

Thank you to J. Mills
for creating this video.

We are pleased and honored
to be a partner with "NORD for
Rare Disease Day 2012."
